Greetings, All.

September-October, 2017

Your Intergroup is sound and strong. Home group support is generous, appreciated and essential. AA groups across the metro area support Intergroup financially as well as with volunteers. This is the time of year when we ask AAs to consider being nominated for seven Steering Committee positions. For those elected it is a two-year service commitment. Elections will be done by votes by home group representatives at the November 18th delegates meeting. To be nominated or ask questions about how it works please contact the Nominations Committee chair or co-chair.

Metrolina Intergroup is preparing to relocate to a new office location. Presently, Sharon and the steering committee are developing options, looking at potential move locations and assembling a move plan. You can help by talking it up in your home groups that we have designated a relocation fund to which groups and individuals may earmark contributions.

With Gratitude,

Vice-Chair
