Greetings,

November-December, 2017

Finally, we begin to see that all people, including ourselves, are to some extent emotionally ill as well as frequently wrong, and then we approach true tolerance and see what real love for our fellows actually means. It will become more and more evident as we go forward that it is pointless to become angry, or to get hurt by people who like us, are suffering from the pains of growing up.\*

Abandon yourself to God as you understand God. Admit your faults to Him and to your fellows. Clear away the wreckage of your past. Give freely of what you find and join us. We shall be with you in the Fellowship of the Spirit, and you will surely meet some of us you trudge the Road of Happy Destiny.

May God Bless you and keep you until then. \*\*

In love and service,

Jesse Y.
