

COMMITTEE REPORTS

Cooperation with the Professional Community /Public Information

Happy New Year, family! I hope and pray all is well and everyone had a great Christmas and your new year is starting off in the right direction. As a new year begins so has a new chairperson (myself) and co-chair (Lindsey S.) for the Cooperation with the Professional Community/Public Information committee.

As of the present time, Anuvia has asked us to continue with our commitment with them addressing their DWI class on what AA is and what it isn't and the availability of the program to anyone who wants it. We have also picked up a commitment to do the same with the Carolinas College of Health Sciences nursing program. We have dates for both through 2018.

To start the New Year off the committee has been blessed to be able to place AA info on some digital billboards around the Charlotte area. You can see these billboards at the locations listed below.

- #8864 - I-77 seen southbound south of exit 28 Cornelius
- #8903- I-77 seen northbound south of exit 28 Cornelius
- #12022 – I-485 seen westbound, east of I-77
- #8747 – I-85 seen northbound, north of Billy Graham Parkway
- #12035 – I-485 seen southbound, east of Dixie River Rd.

There's one more on I-77 at exit 6, Tyvola Rd., visible from both directions. God willing we hope that this is the beginning of a campaign to inform the public of help for those who suffer from alcoholism.

Thank you for this opportunity to serve.

Sincerely, Byron B.
