### **C.P.C.-P.I. Committee**

One thing that seems to work with lasting effect is when one alcoholic, who is seeking recovery, works with another alcoholic, who is in recovery. But how do we attract them without promoting A.A.?

C.P.C.-P.I. stands for Cooperating with the Professional Community and Public Information. We cooperate with professionals, who in turn, refer their clients to us. This is how Bill Wilson and Dr. Bob found the first 100 A.A.s. And this is how we have multiplied since then.

We had a display table at a conference for the Parole and Probation Officers in Rowan County held at the Rowan-Cabarrus Community College in Salisbury. We found a great number of PPO's who were interested in helping their corrections clients by referring them to A.A. Now they know how to do it.

We need your help. If you are grateful for your sobriety, you may want to give back. This can help others find sobriety also. We meet at Intergroup office from 10:00 to 11:00 on the fourth Saturday monthly.
