

# COMMITTEE REPORTS

## Unity Committee

The unity committee would like to thank everyone that participated in the Founders Day dinner in support of AA in Metrolina area

We would also appreciate more participation in these events so that we can get more funding for the unity committee as well as Fellowship because we are people who normally would not mix and the fellowship is about Unity so we are asking for more support in these events coming up for Unity

The experience that I am getting from volunteering for AA Unity is helping me better understand why the job is so hard for the person who takes this position is because of lack of participation so rather than talk about Unity I would like for us to be about Unity this is my prayer for Alcoholic Anonymous Our reading it states that I am responsible when anyone anywhere reaches out for help I want the hand of AA to always be there and for that I am responsible Thanks to all the volunteers who took the time to participate in these events.

Next upcoming events will be the Christmas and New Year Alcolthon
