Unity Committee

Delegates,

As many of you are aware, we have desperately been seeking a new venue for the Founder's Day celebration due to construction that will be taking place this summer at Park Road Park. After much research, we are excited to announce that we were able to secure the Pritchard Church in SouthEnd to host our annual Founders Day. The event will take place June 8th. 2024. Please stay tuned - we will send more details prior to the next delegates meeting.

In addition, we will also begin the process of soliciting feedback for the 2024 Alcatons. This feedback is essential for helping us to facilitate events. If you feel that you're able to represent the general conscience of your group, please fill out one of the paper surveys provided at the delegates meeting and leave it with us. If you would rather bring the survey back to your groups, please do so and bring the survey back to our delegates' meeting in May. We also offer the survey via QR code, or you can simply email replies on behalf of your group (or yourself) to unitygroupclt@gmail.com. The more feedback we get, the better we are able to serve you and your groups!

We look forward to feedback from the groups and are excited to begin planning this year's Founders Day event.

If you would like to join the Unity Committee or attend a meeting. They are held on the third Saturday of every month at 11:30am at the intergroup office, or you can join us on zoom. Link is below and on the charlotteaa.org website:
