## Corrections Report

Good day,

Corrections wants to thank everyone for attending the Corrections event and all that came to represent the Charlotte area at the National Corrections Conference. Going forward we are looking forward to seeing how the nominations go and see who we will welcome to our team! From our local corrections event we had 13 new recruits!!

The last few months we have been working hard on supporting the National Corrections Conference. We are happy to announce that we have been able to bring people from all over the US into the facilities that we take meetings into! It was an awesome experience to be a part of.

The remainder of our budget will be spent providing literature for those behind the walls. We as a committee find it very important to put a Big Book in the hands of every alcoholic that we can and we do not take that mission lightly.

As the Corrections Chair, I want to say thank you! Thank you for the opportunity to serve, to share my passion and love for corrections with others and allowing me to be a part of something that is far bigger than me! It has truly been an eye-opening experience and has allowed me to grow in areas that I didn't know my recovery needed! I hope everyone gives a warm welcome to Kim M! We as a committee know that she will do an amazing job!
