

# Committee Reports

## Corrections Report

Hello everyone,

New officers: Kim M., Chair; Hank H., Co- Chair; John M., Secretary

We will be having hybrid monthly meetings, both in person at Intergroup office and by Zoom beginning January 25.

Priority goals for this year: A) Streamline our volunteer vetting process; B) Better our communication among members and internal facility liaisons; C) Increase our number of volunteers outside of Gaston and Mecklenburg County facilities, and D) Make more approved literature available within the facilities we serve.

We introduced a new AA conference-approved book to members -- *AA in Prison: A Message of Hope* and began the process for having it approved for facility libraries.

We had 13 new volunteers sign up at our fall recruitment event.

Next month and subsequent monthly reports will include metrics as to how many inmates we serve, how many volunteers are vetted and how many are currently in the vetting process.

Thank you!

## Nominations & Outreach Report

Hello everyone,

We are looking forward to starting our duties. One of the ways we hope to do this is by contacting the groups that didn't participate last year.

I know, for me, Intergroup has played a vital role in my life & sobriety.

We hope our efforts will bring new attendance and a better knowledge of Intergroup's importance.

Thank you,

Alex P., Chair,

Herman W., Co-Chair
