Treatment Facilities Committee

Hello everyone!

“Particularly was it imperative to work with others as he had worked with me. Faith without works was dead, he said. For if an alcoholic failed to perfect and enlarge his spiritual life through work and self-sacrifice for others, he could not survive the certain trials and low spots ahead.”

Alcoholics Anonymous Pg. 14-15

Important!!

***It is required that everyone who participates in Treatment Facility panels, including those that volunteer from your home group (if your homegroup is in charge of a particular meeting), complete the orientation meeting and sign the required disclosure forms. This is a requirement from the participating facilities, not Alcoholics Anonymous. Thank you for your cooperation and your service.**

***If you or your homegroup are responsible for taking a meeting into a facility on a certain day/date you CANNOT cancel the meeting. It is recommended that you have someone who can cover your commitment in the case that you are unable to do so. If you are having trouble finding a volunteer, please reach out to any of the names on the schedule or myself and Peter. This is very important work, as many people we see in these facilities are experiencing their first contact with AA.**

*** Bridging the Gap helps connect people leaving treatment facilities with meetings and what to do from there. They are looking for a female co-chair. If you are interested, please contact Brooke 504-388-7528 or Jake 828-347-2356**

***We currently have 21 different opportunities for service work at 12 facilities every week! Thank you for your willingness to serve.**

Please feel free to pass this information along to anyone interested in being a part of the committee and carrying the message of Alcoholics Anonymous to treatment facilities and hospitals.

This is a fantastic opportunity for service. The link is also posted to the charlotteaa.org website under service committees. This is both a committee meeting and an orientation for new volunteers.

Thank you all for your continued willingness for service!

Yours in service,

Bri M.
