## Nominations & Outreach Report

Greetings from the Nominating Committee:

Our goal this year is to contact all groups to see if they have an Intergroup Rep and to get those groups that do not to be more active at the Intergroup level. This is a slow process as there are just a few volunteers in our committee completing the task. If anyone would like to be of service locally and help us achieve our goal, please contact us at the email address below.

We know how important the Intergroup is to the community. The information that comes out of our Delegates Meeting and in the 20/20 Vision is valuable. Also, we can help clear up any misinformation people may have about serving at the Intergroup or about Intergroup in general.

We will have a meeting on April 19 at 10:00am at the Intergroup office and on Zoom. The Zoom link can be found on our website, charlotteaa.org, under the Service Committee menu option. Please don't hesitate to reach out for more information if needed.

Thank you,
