

MEMORIAL DAY

Annual Memorial Day Picnic!

This year we honor those who went before us, especially Bill W., Dr. Bob, and those individuals who found a Way of Life that has saved so many millions of people around the world.

On June 10th, 2025, Alcoholics Anonymous (AA) celebrates 90 years of carrying the message.

We hope you will join us by attending a special chip ceremony, showing gratitude for the program that began June 10, 1935!
