

20/20 Vision

Metrolina Intergroup Association: Recovery, Unity, Service
January-February 2026

Hello All,

Unity is something we practice by staying connected across groups, listening for what is needed, and doing the shared work that helps AA remain easy to find and ready to welcome the still-suffering alcoholic.

Intergroup is a service office that involves partnership among groups in a community.

Intergroup is run by, supported by, and accountable to the participating groups, districts, and members. From there, we keep local meeting information accurate and accessible, provide literature and chips, provide space for meetings, and serve as a central point of contact for newcomers, families, members, professionals, and the public. We also support the work of Treatment Facilities, Corrections, CPC/PI, Unity, and Nominations & Outreach, keeping communication steady across the area we serve and making coordination simpler and more consistent.

We're grateful for the chance to be of service through Metrolina Intergroup and appreciate your involvement. With unity and hope,

Buck R. — Steering Committee Chair

Lindsay R. — Steering Committee Co-Chair
