CPC/PI

(Cooperation with the Professional Community & Public Information)

CPC/PI Committee Report May 2026

I enjoyed the AA speakers sharing their stories and also [...]. They were all normal people and if you saw them on a random day you would never guess they had lived through any of the struggles they shared. It was a good reminder that anyone is susceptible to mental health struggles even those that seemingly have it more together than others. - Nursing Student

Are you seeking meaningful service work but not sure how to get involved? CPC/PI provides information to the general public. We visit with professionals such as healthcare workers, schools, businesses and community meetings to explain clearly what AA does and does not do.

Mark your calendar for the 1st Saturday of each month at 10am. The Zoom link can be found on the Committee Page of the Metrolina Intergroup website (charlotteaa.org).

- Our Outreach subcommittee recently spoke with a group of nursing students at Atrium - Carolinas College of Health Sciences and attended a Health Fair at Gaston College!
- Our Public Information Committee also monitors and updates our Google Business Page and provided the following
 - 10,874 Profile Views (10% increase since last month)
 - 433 website clicks (10% increase from previous month)
 - 37 calls (27% increase from previous month)
 - 7,296 searches (16% increase from previous month)

We welcome all sober individuals to our committee that would like to be of service! We need all skill sets to help our committee raise awareness within the professional community and publicly.

How you can get involved:

- Join us on Zoom Sat June 6th at 10am - No sobriety requirement to be part of the committee
- Send us a flyer for an event you would like published on Google.
- Become a Speaker once you meet the requirements

If you have any questions, please contact us at cpc-pi@charlotteaa.org.

In service,

Joe D.

2026 CPC/PI Chair
