Treatment Facilities Committee

“Practical experience shows that nothing will so much insure immunity from drinking as intensive work with other alcoholics. It works when other activities fail. This is our twelfth suggestion: Carry this message to other alcoholics! You can help when no one else can.” – *Big Book of Alcoholics Anonymous* Pg. 101

*** It is required that everyone who participates in Treatment Facility panels complete the orientation meeting and sign the required disclosure forms. This is a requirement from the participating facilities, not Alcoholics Anonymous. Thank you for your cooperation and your service.**

* If you or your homegroup are responsible for taking a meeting into a facility, you CANNOT cancel the meeting. It is recommended that you have someone who can cover your commitment in the case that you are unable to do so. If you are having trouble finding a volunteer, please reach out to any of the names on the schedule or myself and Jason. This is very important work, as many people we see in these facilities are experiencing their first contact with AA.

* Bridging the gap helps connect people leaving treatment facilities with meetings and what to do from there. Co-chairs are Lydia 562-355-0939 and Zach 443-466-2383.

* We currently have over 25 opportunities for service work at 13 facilities every week!

Our committee meets on the 2nd Saturday of each month at 9:30 AM

Please feel free to pass this information along to anyone interested in being a part of the committee and carrying the message of Alcoholics Anonymous to treatment facilities and hospitals. This is a fantastic opportunity for service. The link is also posted to charlotteaa.org website under service committees. This is both a committee meeting and an orientation for new volunteers.

Thank you all for your continued willingness for service!

Yours in service,
